

ASTROLOGICPRIORITY OF DAVID ANDREW D'ZMURA, INDEPENDENT INVENTOR/APPLICANT

This application is a continuation of my PCT/US00/28838 of October 18, 2000, and claims benefit under Sec. 120 and 365, said
5 PCT/US00/28838 claims the benefit of my following applications:

U.S. Non-Provisional Application, #09/421,192, Oct. 18, 1999;

U.S. Provisional Application, #60/172,651, December 20, 1999;

U.S. Provisional Application, #60/181,502, February 10, 2000.

This application is a continuation of my #09/421,192 of
10 October 18, 1999, and claims benefit under Sec. 120 and 365, said
#09/421,192 claims the benefit of my following applications:

U.S. Provisional Application, #60/040,442 of March 12, 1997;

U.S. Non-Provisional Application, #08/883,753, June 27, 1997;

International PCT Application, PCT/US98/13383, June 26, 1998;

15 U.S. Provisional Application, # 60/144,056 of July 16, 1999;

U.S. Provisional Application, #60/158,065, October 7, 1999.

This application claims benefit of my provisional applications:

U.S. Provisional Application, #60/189,332 of March 14, 2000;

U.S. Provisional Application, #60/202,038 of May 5, 2000;

20 U.S. Provisional Application, #60/205,290 of May 19, 2000;

U.S. Provisional Application, #60/206,536 of May 21, 2000;

U.S. Provisional Application, #60/206,603 of May 25, 2000;

U.S. Provisional Application, #60/207,310 of May 30, 2000;

U.S. Provisional Application, #60/207,415 of May 30, 2000;

25 U.S. Provisional Application, #60/207,450 of May 30, 2000;

U.S. Provisional Application, #60/208,580 of June 2, 2000;

U.S. Provisional Application, #60/212,694 of June 19, 2000.

TECHNICAL FIELD

30 The invention describes innovative astrological methods, processes, apparatuses and systems. Unique celestial mapping systems, processes and star catalogues are described, as are unique innovations in astrological tarot and in alpha-numerology.
